## Captain Planet Foundation's Annual Benefit Gala Brought In the "Green"

More than \$855,000 Raised for Children and the Environment

On Friday, December 9, 2011, at the Georgia Aquarium, the Captain Planet Foundation (CPF) presented its annual gala, one of the largest environmental fundraising events in the Southeast. By the end of the evening, more than \$855,000 was raised to help fund CPF's mission: to support hands-on environmental projects designed to encourage innovative, game-changing initiatives that will inspire and empower the next generation of environmental stewards. Party-goers, including a Who's Who of Atlantans, celebrities, environmentalists, and Foundation supporters, turned out for the "be seen and be green" event of the year.

Presenting sponsors included: Turner Foundation, Cartoon Network, The Coca-Cola Company, Georgia Power, JST Foundation, Pratt 100% Recycled, Atlanta magazine, Xfinity, and Davis, Pickren, Seydel & Sneed, LLP.
