HOW WILL YOU LEAVE YOUR MARK?

BUILD A LASTING LEGACY

This is your chance to become a real-world hero. When you partner with the Captain Planet Foundation, you help empower over 10 million youth around the globe to be problem-solvers for the planet. **Now that's a superpower!**

EMPOWERING PROBLEM SOLVERS

FOR the planet

As young people acknowledge the truth of a *climate-insecure future*, the Captain Planet Foundation works with partners to develop the tools, resources, strategies, and opportunities that **engage** youth, **connect** them with their communities and environment, and **empower** them to be active global citizens and collaborative agents of change for the planet.

Project **LEARNING GARDEN**

*** **EVERY GARDEN CAN BE A CLASSROOM!**

We believe it is **ESSENTIAL** to have an onsite learning laboratory in every school, where ideas learned in the classroom come alive in the real world. From an early age, Project Learning Garden teaches students to grow food, develop a palate for healthy choices, build crucial interpersonal skills, and establish an ethic of community engagement.

For a one-time investment of \$7,500, a school receives:

- ▶ Five Raised Garden Beds, Soil, Seeds, & Starts
- ▶ Mobile Cooking Cart [w/ Vitamix Blender]
- ▶ Literacy & Science Learning Supplies
- ▶ Teacher and School Training
- ▶ Strategies for Summer Garden Maintenance
- ▶ Connections to a community of practice over 700 schools strong!

GREEN HEART STEM CHALLENGE

Centering Justice in ENVIRONMENTAL EDUCATION!

The Green Heart STEM Challenge is an annual activation for middle school teams to explore and identify environmental justice challenges in their communities, and to design and implement feasible solutions. Ten finalist teams in each metro area pitch their ideas to a panel of judges; and winning teams attend an Idea Incubator where they put their ideas into **ACTION** with mentorship and grant funding.

Sponsorships, starting at \$100,000 per market, support school districts to:

- ▶ Offer a purpose-driven, environmental STEM competition to middle school students
- ▶ Train thousands of students in environmental justice problem-solving
- ▶ Introduce middle school students to career pathways in sustainability, service, and community change
- ▶ Invite winning teams to Idea Incubator for solutions to be workshopped and mentored
- ▶ Provide implementation grants for winning ideas to be executed and make a difference

**PLANETEEER
ALLIANCE**

ACTIVATING GLOBAL YOUTH FOR *Climate Action!*

Our Planetree Alliance community is transforming their impatience for change into action for the climate and planet. These global changemakers (ages 10-23) are: Passing environmental policies at the local, regional and national levels; Holding governments accountable to enforce policies; Shifting supply-chains within corporations, school districts, and campuses; Operating large-scale awareness & education campaigns; and Leading peer-training summits across the globe training thousands annually.

Sponsorships, starting at \$25,000 per year, support our proven strategies to:

- ▶ Directly invest in young people and their solution campaigns
- ▶ Train thousands in the change-making strategies of market, policy, and activism
- ▶ Support Planetree Clubs in schools and community organizations globally
- ▶ Provide scholarships for career-building and development opportunities
- ▶ Send youth to global decision-making meetings - representation matters!
